25X1A 2. A [REDACTED] DDR&E, called to inquire into the possibility of making available certain [REDACTED] data. I told him we would do our best to provide a sterilized portion of this data; therefore, it is requested that you get in contact with a [REDACTED] who is now in the DDR&E, and discuss the matter with him. I think we should give them all data possible without revealing too much of our purpose in the existence of the [REDACTED] site. If you wish, we can discuss this before you call [REDACTED]
